The General Board of Church and Society has produced **5 new brochures on Domestic Violence** for Bible study and discussion groups to explore the signs, causes and effect of domestic violence on individuals, relationships and our communities.

Topics include:

- Elderly Abuse,
- Child Abuse,
- Adolescent Bullying,
- Partner Abuse, and
- the **Community** impact of domestic violence.

Learn what the United Methodist Church says about domestic violence and **take action** to prevent abuse in your church and community!
