

I Support Education for All!

- Education for all saves lives.
- Education for all leads to a safer, more secure world.
- Education for all is a smart investment in our future.

Dear President Obama,

Without basic education, 75 million kids around the world will be left behind.

I support quality education for all and I urge you to lead the world by budgeting \$2 billion for a Global Fund for Education.

Thank you for your leadership,
